Our Belief

KAMAL PRATISTHAN
Mount Litera
School

1. **Children are not just roll numbers, they are unique individuals.**
2. **Every child is talented. Schools just need to figure out, where that talent lies.**
3. **A school's role is developing the whole individual, and not just completing the syllabus.**
4. **Holistic development needs partnership between schools and parents.**

Vision/ Mission

KAMAL PRATISHTHAN
Mount Litera
School

Mount Litera School will provide a complete and unique educational experience for the child, preparing him / her for a successful life in the contemporary society.

The vision of Mount Litera School envisages:

- **To create an excellent educational institution synthesizing the human values with the highest quality of teaching–learning using modern technology-driven tools for preparing a well-rounded personality for our society.**
- **To nurture the unique potential in each child.**
- **To impart knowledge and an acute understanding of values through a voyage of self-discovery and learning aided by nature and technology.**
- **To empower each child through the development of their cognitive, emotional, physical and social skills**
- **To provide to parents a friendly, transparent and professional experience across the range of their interactions with us**
